ED162013

This bibliography of ERIC references is meant to be a guide to the literature on urban and minority education which is accessible through the ERIC system, a national information storage and retrieval system for educational documentation. It contains references on such topics as bilingual education, compensatory education, school integration, the education of specific ethnic and racial groups, and problems of inner city schools, which were cited in the January through December 1977 issues of *Resources in Education* (the abstract journal of the ERIC system). The citations which bear 1976 and 1977 publication dates update the bibliographies published by the Clearinghouse covering the same topics in previous issues of *Resources in Education* (see ED 128 492 and ED 143 720).

ED (ERIC Document) identification numbers have been included at the end of each citation. A Subject Index by citation number and a statement on the availability of the cited materials from the ERIC Document Reproduction Service (EDRS) follow the bibliography.

DO YOU NEED INFORMATION ON URBAN AND MINORITY EDUCATION?

- ☐ **For planning a new curriculum?**
- ☐ **For developing a special program?**
- ☐ **For writing a paper?**

The ERIC Clearinghouse on Urban Education (ERIC/CUE) can offer you computer access to the information in the ERIC data base. For a charge of $25.00, the ERIC/CUE staff will design and execute a computer search of documents in *Resources in Education* (RIE) and journal articles in *Current Index to Journals in Education* (CIJE) according to your specific information needs. You will receive up to 100 full citations—complete **bibliographic** information plus **abstracts** for documents and, in many cases, **annotations** for journal articles. The output depends on your specific instructions.

To order a customized search (or for further information) fill out the form at the right and return it to the Clearinghouse. Please be as specific as possible in the statement of your problem (attach additional sheets, if necessary). Be sure to indicate the dates and parts of the data base you wish searched. Include your telephone number so we may quickly contact you if we have any questions before we run the search. You will be billed $25.00 for the basic search and receive up to 100 full citations. Some searches will yield fewer than 100, some more than 100. If the search yields more than 100, you can receive additional citations at the cost of $0.10 each.
